SUINCO Quality Politics

I1 100% SATISFIED CUSTOMERS

Provide non-ferrous metal smelters, in Chile and abroad, with standard mold release products and to full satisfaction regarding their technical and operational aspects.

I2 VISION OF THE FUTURE WITH OUR CUSTOMERS

Permanent occupation in the future needs of our clients, generating today activities that allow us to contribute our experience in the area and at the same time manage to adjust dosages and uses together, according to their new needs.

I3 SUPPLIERS COMMITTED TO QUALITY

Interact with our suppliers, looking for a relationship of mutual convenience. They provide us with quality products, to our full satisfaction and we become reliable, predictable customers with a long-term vision.

I4 PERSONNEL COMMITTED TO QUALITY, SAFETY AND ENVIRONMENT MANAGEMENT

Encourage professional development, seeking teamwork and commitment to quality, complying 100% with labor and environmental safety standards in the performance of activities in the company.

I5 QUALITY MANAGEMENT WITH PERMANENT EVALUATION

Evaluate and update our Quality Management System in order to improve it continuously.

The General Management declares to be committed to quality management, and ensures that this Policy is known, understood, applied and updated at all levels of the company.

Rodolfo Lorca B.
